

Pre-Lenten Workshop

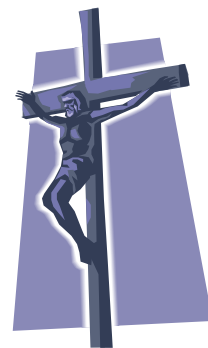

Dr. Reed Lessing, S.T.M., Ph.D.

Associate Professor of Exegetical Theology and Director of Graduate School at Concordia Seminary, St. Louis

Based upon Dr. Lessing's CPH Commentary on Jonah (2007), this workshop will be a one-stop resource for all of your Lenten, Holy Week, and Easter needs. Sunday morning Bible Studies will supplement your Midweek services; sermons include illustrations, outlines, and preachable exegetical insights; the worship resources are complete and ready to implement. This retreat will not only help the pastor with his busy schedule, it will allow his congregation to dig deeply into the power and grace of God, testified to in the book of Jonah.
